Sir,

b6 -2 per FBI

I just spoke with [REDACTED] about a document we need FBI to look at. The attached three interrogation "teaching cases" were prepared by a National Defense Intelligence College student (who is a DIA contractor) who wants to publicly release them. He submitted a fourth case, which was classified, so we kicked it back.

I have submitted it to DoD's Office for Security Review, encouraging them to have Navy/NCIS and other agencies review as they deem appropriate.

If [REDACTED] or someone in your office would please give us the FBI's input as to releasability, I would be very appreciative. b6 -2 per FBI

For your situational awareness, I am also attaching the DD 1910 so you can see the DoD/OSR cover sheet info that I gave to the DoD review office.

If we could obtain your two cents' worth before 30 September, that would be excellent.

Please do not hesitate to contact me if you have questions, issues or concerns.

V/R
